Thanks to Oxford University Press for permission to reprint this chapter from the forthcoming third edition of *The Psychologist's Desk Reference* due for release in August 2013.

AUTHOR NOTES

JAMES O. PROCHASKA, Ph.D., is Director of Cancer Prevention Research Center and Professor of Clinical and Health Psychology at the University of Rhode Island. He is the author of over 300 publications, including three books, *Changing for Good* (with Norcross and DiClemente), *Systems of Psychotherapy* and *The Transtheoretical Approach*. He is internationally recognised for his work as a developer of the stage model of behaviour change.

JOHN C. NORCROSS, Ph.D., ABPP, is Professor of Psychology and Distinguished University Fellow at the University of Scranton, Adjunct Professor of Psychiatry at SUNY Upstate Medical University, a board-certified clinical psychologist in part-time practice, and an internationally recognised authority on behaviour change and psychotherapy. Author of more than 300 scholarly publications, Dr. Norcross has co-written or edited 20 books, including *Psychotherapy Relationships that Work*, *Self-Help that Works*, *Leaving it at the Office: Psychotherapist Self-Care* and *Systems of Psychotherapy: A Transtheoretical Analysis*, now in its 8th edition, and two self-help books: *Changeology* and *Changing for Good* (with Prochaska and DiClemente).

CARLO C. DICLEMENTE, Ph.D., is Professor and Chair, Department of Psychology, University of Maryland, Baltimore County. Internationally recognised as the co-creator of the Transtheoretical Model of behaviour change with Dr. James Prochaska, he is author of numerous scientific articles and book chapters on motivation and behaviour change and the application of this model to a variety of problem behaviours. Dr. DiClemente is co-author of *Changing for Good* (with Prochaska and Norcross) and *The Transtheoretical Model, Substance Abuse Treatment and the Stages of Change, Group Treatment for Substance Abuse: A Stages of Change Therapy Manual* and *Addiction and Change: How Addictions Develop and Addicted People Recover* (2006).
